The proposer Ramanna having been born on the 20th April 1867, his present age 24 years.

If he should pay premium from 1st July 1895, as ordered by Govt Prop. Nr. 2311/Fl 221 of 12th Sept 1900 ashes age in July 1895 was 28 years 2 months and 11 days or 28 years (for insurance purposes) he would get a bonus of Rs (x) 482

Sir,

G. S. Ramanna Shroff of Nagar Taluk submitted his proposal for insurance on 6th March 1899. It was therein stated that he had rendered a service of 4 years and 7 months. Government Notification No. 7210 R. I. 161-92 dated 1st February 1898 gave option to those officials whose pay was raised to Rs 10, and upwards after the introduction of the insurance rules to insure their lives within one year from the date of the above Notification. In Conformity with the above when Ramanna was asked to explain why he failed to submit a proposal earlier, he stated that he

he was first entertained as Mutchi on Rs 10 in 1894 in the Bangalore Sub Judges Court, was promoted to Amin and that his pay was finally raised to Rs 15 on 1st November 1898. He thought that the appointments he held were inferior and that he was not aware that insurance was compulsary in his case and that therefore he failed to submit a proposal. The proposal with the opinion of the members of the Committee recorded thereon and other papers connected therewith are forwarded for orders of Government

Sir,

In reply to your No. 9532/Fl.1171 dated 27th. June 1899 re the insurance of G.S.Ramanna Shroff of Nagar Taluq I have the honour to state that at the time of the Official's entertainment 1894, insurance was compulsory, but as the Comptroller does not audit Establishment Pay Bills in detail, i.e. each Official by name as is done in the case of Gazetted Officers, it was not possible to exercise individual check.

I may however note that the Establishment pay bills of the Munsiff's Court and Central Nazir's Department Bangalore where the Official formerly served, and of the Nagar Taluq Treasury where he is now serving, contain the insurance certificate since October 1897 the month from which such certificates required were to be attached to Establishment Pay Bills.
